Presidents Report

Welcome everyone to the start of the new “superules“ year, I hope that you & your families have a great time not only on the field but socially as well. It is important that entire club make the new players feel welcome so they can enjoy what we have been doing for years. I would like to also remind the players, new & old that they must play the game in the spirit of “Superules”, so everyone can enjoy themselves and go to work on Mondays.(We are not playing for sheep stations.)

To all the coaches and support staff, I wish them all the best for the year ahead. Waddles has taken on the job as Div 1 coach and has his finger on the pulse. So lets get behind him and I know Div 1. will enjoy their season and look forward to them playing finals. . Easto, in his 2nd season continues to be a tremendous asset, (fully backed by the lovely Karen) and is set to have a repeat of last year’s great season. Now playing for points and a finals birth we are looking forward to retaining the number one position. Podge remains in the coaching box and I expect some great results in the “47s, already away to a flyer enjoy kicking the dew of the grass boys. Based on the talent available to Podge a top 2 position is not out of the question. Nick Pastras takes over from Turtle again a remarkable list has been put together, enjoy the year and the results will come our way.

The pre-season, was fantastic, some of the efforts of the playing group was amazing. The camp will hold us in good stead.

On the committee side of things, treasurer, Woody, has excelled in the role, and has continued to bring in more new sponsors. Speaking of sponsors, I would like to welcome all our existing sponsors, who once again have jumped on board and to all the new businesses we hope to support you guys as much as you have committed to us.

Dutch and I along with rest of the committee will endeavour to bring a seam free season to you all. Socially, Scott Sutherland and Matt McArthur will do a fantastic job in organising events such as the “Trivia night” and Team of Decade to be hosted by Sloany. Also coming up is the” ladies luncheon”, major raffle, Presentation night, **Trip Away**. All events will be advertised on the website, so keep checking and record the dates.

Now having said all that, I want you all to go out there and play like you never played before or alternatively just get a kick! And to all the Partners and Families get around the club, mingle and meet all the people so we can keep this club as great as it is.

Yours in football

From the Coach

I'm nervous with excitement about our round 1 game at home, I know that the boys are ready to go and just want to play footy. The numbers at training have been great and I have enjoyed and I hope the Club has had fun with the pre-season. For me it was about being together and working on fitness, but doing it with the footys. Training is now starting to be based on how I want the ball to be moved up the ground and everyone has taken this on board.

Thanks to all of the new players to the club I know you will enjoy the year ahead, with great on field wins. Please make sure you bring your families to the games as I love this culture at this club.

I must thank all of you who have helped me take the first steps in coaching this year and as I have told you all I'm ready to go on the field as well!!!!

Let's play hard!!! Go Beacy!!

2011 - Premiers

Welcome back to another season of Superules.

Thank you to the Beaconsfield committee for giving myself another opportunity to coach the Masters 1 team again.

Good luck to Waddles and Nick in there first year of coaching at Beacie and in his 2nd year LEGENDS coach Podge for the up coming season.

With the first official game this Sunday vs. Ascot Vale for Masters 1, I would like to thank in advance Jimmy (Captain for 2012) and Wardy (Ass Coach) for the year ahead.

Also I would like to welcome the new players and families to the Beaconsfield Superules. Good luck to all players playing in the games this weekend.

With a new look team and some familiar faces, Masters 1 will again be a very competitive sides. We have trained very hard under new Div 1 coach Waddles which will holds in good stead for the up coming season.

Ascot Vale this Sunday is going to be a very hard fought battle. Come prepared for a very competitive game. Over the last couple of years we have had some very close games. We have done the work in the pre season but it will only work if we have the right mind set. I have full faith in our team to be competitive.

Good luck enjoy the day

2/3 Masters

Round 1 saw us travel to South Yarra with the thoughts of last years thrashing in our minds.

We were determined to push them more this year and come away with a win. With the help of some new recruits and Woody, Macca and Turtle playing in our team, we were confident of this.

The first quarter saw us 2 points away with a low scoring start, the second quarter again saw a good battle with Andy Campbell stepping into Ruck after Steve Madeley suffered a calf injury. A period of around 4-5 mins late in the quarter had them score 4 goals and have a good lead at half time.

The third quarter had our midfield new guys Jeff and Morgs creating more run getting the ball out to the wings and then forward, but the forward were being well held and scoring shots were limited.

South Yarra continued to pepper the forward line, but Big Macca played brilliantly at full back stopping what could have been a flood of goals.

We fought hard kicking a few goals in the last quarter with Gerard and Brad running of the back line and the wings running the ball to the forward hitting targets.

Although we lost, we can pull a lot of positives from the game, with a different team to last year and a few more games together we will be a force in 2012.

Final Scores Sth Yarra 10.8 Beaconsfield 6.7
